

2. **Response to Petition.** Respondents shall have **60 days** following service of the amended petition to file and serve an answer or other response to the amended petition. If petitioner does not file an amended petition, respondents shall have **60 days** following the due-date for the amended petition to file and serve an answer or other response to the original petition.

3. **Reply and Response to Reply.** Petitioner shall have **45 days** following service of an answer to file and serve a reply. Respondents shall thereafter have **30 days** following service of a reply to file and serve a response to the reply.

4. **Briefing of Motion to Dismiss.** If respondents file a motion to dismiss, petitioner shall have **30 days** following service of the motion to file and serve an opposition to the motion. Respondents shall thereafter have **30 days** following service of the opposition to file and serve a reply.

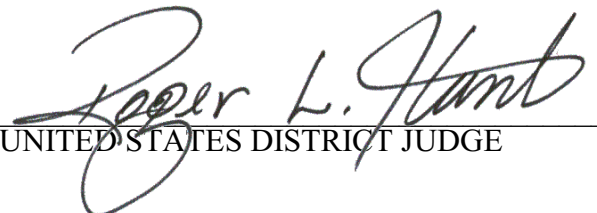

5. **Discovery.** If petitioner wishes to move for leave to conduct discovery, petitioner shall file and serve such motion concurrently with, but separate from, the response to respondents' motion to dismiss or the reply to respondents' answer. Any motion for leave to conduct discovery filed by petitioner before that time may be considered premature, and may be denied, without prejudice, on that basis. Respondents shall file and serve a response to any such motion concurrently with, but separate from, their reply in support of their motion to dismiss or their response to petitioner's reply. Thereafter, petitioner shall have 20 days to file and serve a reply in support of the motion for leave to conduct discovery. If the court grants petitioner leave to conduct discovery, the court will then establish time limits for the completion of the authorized discovery.

6. **Evidentiary Hearing.** If petitioner wishes to request an evidentiary hearing, petitioner shall file and serve a motion for an evidentiary hearing concurrently with, but separate from, the response to respondents' motion to dismiss or the reply to respondents' answer. Any motion for an evidentiary hearing filed by petitioner before that time may be considered premature, and may be denied, without prejudice, on that basis. The motion for an evidentiary hearing must specifically address why an evidentiary hearing is required, and must meet the requirements of

28 U.S.C. § 2254(e). The motion must state whether an evidentiary hearing was held in state court, and, if so, state where the transcript is located in the record. If petitioner files a motion for an evidentiary hearing, respondents shall file and serve a response to that motion concurrently with, but separate from, their reply in support of their motion to dismiss or their response to petitioner's reply. Thereafter, petitioner shall have 20 days to file and serve a reply in support of the motion for an evidentiary hearing.

7. **Status Reports and Status Conferences.** The court may from time to time, as the need arises, schedule status conferences, and/or require the filing and service of status reports, in order to manage the progress of this action.
